Spencer J. Cox
Governor

Declaration

Whereas, Alpha-1 Antitrypsin Deficiency (Alpha-1) is one of the most common serious hereditary disorders;

Whereas, this life-threatening condition may result in liver or lung disease in adults and liver disease in children;

Whereas, Alpha-1 is widely underdiagnosed or misdiagnosed;

Whereas, the state of Utah encourages efforts to educate the public and health care providers about Alpha-1; and,

Whereas, the state of Utah lends support to the families and individuals who are affected by this disorder;

Now, Therefore, I, Spencer J. Cox, governor of the state of Utah, do hereby declare November 2021 as

Alpha-1 Awareness Month in Utah
