Will You Be Attending?

Location

The in-person event will take place near the UCLA campus. More details will be sent to those who register for the in-person event.

Are You an RT?

AARC Accreditation

This learning activity has been approved by the American Association for Respiratory Care (AARC) for 4 hours of Continuing Respiratory Care Education (CRCE).

Hybrid events have both an in-person and virtual component, creating a single event experience for all attendees.

An on-demand component will be available, featuring an online experience with educational content available to watch prior to and after the live event. This hybrid model creates an environment where the Alpha-1 community can decide their participation moving forward in the pandemic. These events provide both in-person and virtual attendees access to much needed Alpha-1 education, experts, and peers.
